

Middle River Middle School's Continuity of Learning Plan

Please plan to join us for Virtual Learning!

Helpful Information for students, parents & guardians:

- Teachers will post the weekly assignments for each class in Schoology by 9 AM on Monday mornings.
- Assignments for the week are due to be submitted to teachers of all courses by 11:59 PM each Friday evening.
- Office hours for each teacher at MRMS have been posted in two locations: our school website and on each teacher's Schoology home page.
- Office hours for virtual learning are a time when our teachers will be digitally available to your student should they have any questions or need to touch base. (Please note that the student is not required to spend the entire two-hour time slot with only one teacher, as office hours don't qualify as an actual class period. If office hours overlap from teacher to teacher, the student should create a personal schedule to access their teachers throughout the week.)
- Students should plan to virtually attend their A/B day classes via Google Meet as scheduled in our learning plan to begin on Monday, April 20. Students should prepare to join the Google meeting 5 minutes prior to the meet to be sure there are no tech issues.

MRMS Week-at-a-Glance

Step 1:

• Log into BCPSOne to view your classwork in each course at 9 AM on Monday morning.

Step 2:

• Begin completing your lesson components. Spend time participating in educational discussions with classmates, engaging in instructional activities, and completing the posted assignments.

Step 3:

• Join your virtual A/B day classes on Tuesdays and Wednesdays according to the MRMS Google Meet schedule.

Step 4:

• Access your teachers as necessary during their posted office hours & ask for assistance with specific portions of the lesson that may be challenging or unclear prior to 3pm on Friday.

Step 5:

• Submit your assignments for the week to each teacher by 11:59 PM on Friday.
